WHEREAS, the federal government, state of Oregon and Clackamas County have each declared a state of emergency relating to COVID-19 in their respective jurisdictions and since extended these declarations; and

WHEREAS, the City of Oregon has been taking steps to help mitigate and avoid some of the most drastic consequences of COVID-19 through actions that result in the slowing of transmission of the coronavirus in Oregon in order to protect the most vulnerable Oregonians, and to protect the state's health care system capacity; as well as other results; and

WHEREAS, on Friday, March 27, 2020, the City Commission adopted Resolution No. 20-08, declaring an emergency for the City with an end date of May 7, 2020, but it appears that the situation leading to the declaration of an emergency will extend for a longer period of time.

NOW, THEREFORE, OREGON CITY RESOLVES AS FOLLOWS:

Section 1. The emergency declared by the Oregon City Commission on March 27, 2020, with an expected end date of May 7, 2020, is hereby extended until June 18, 2020, in order to allow the City to adequately address the situations caused by the Coronavirus (COVID-19).

Section 2. The emergency declaration issued by the Oregon City Commission on March 27, 2020, Resolution No. 20-08, is otherwise unchanged and remains in full force and effect through the end of the extended emergency period.
