Subject: Extension request for Micro Grant Program Metro Enhancement Grant
Date: June 3, 2016 at 12:53 PM
To: Michele Beneville mbbeneville@ci.oregon-city.or.us

Michele, this is our formal request for a 3 month extension of the Micro Grant Program. We have identified several grant opportunities and have been working with businesses on designs, contracting, and budgeting but have hit a few speed bumps along the way. A small extension will be greatly appreciated so that we can finish the projects that we started with our business and property owners successfully.

Is there any other information that you need to process this request?

Best,

Jonathan
