ASSOCIATED STRUCTURES: Detached gabled garage.
KNOWN ARCHAEOLOGICAL FEATURES: None.
GEOGRAPHIC SETTING: An isolated location at the end of a dead-end street. The house has a splendid view of the outlying areas. In the Buena Vista Neighborhood, an mostly residential area of older homes. No other landmarks in the immediate vicinity.

STATEMENT OF SIGNIFICANCE: (Historical and/or architectural importance, dates, events, persons, contexts): Though not the original owner, Dr. Mabel Hardenbrook was influential as a founder of the Buena Vista Improvement Club. The club originally met in members' homes, but obtained property from the heirs of George Abernethy. The clubhouse was purchased and moved to its current site. The Buena Vista Club instigated many civic projects. Dr. Hardenbrook also started the Oregon City High School Band and the Stamp Club. Undoubtedly this house hasn't changed appreciably since Dr. Hardenbrook lived here. The house is a very good example of the bungalow style. For this reason, and for its association with Dr. Hardenbrook, the house has historical and architectural significance.

SOURCES: Interviews with Lorraine Barnett, Kate Carothers and Mr. and Mrs. Otto Toedemeier, all long-time residents of the Buena Vista Neighborhood, interviews in 1982.
