Describe volunteer activity within this or other communities:

I have attended all but a couple meetings concerning Willamette Falls Legacy Project since I established full-time residency including Planning Commission and City Commission hearings. I am a member of the work group forming the Friends organization and a member of a sub-group developing a mission for the developing friends of the falls group.

I was Precinct Captain, Little League Baseball Coach, Alpine Ski Racing Coach and BOD member for a 250 member USSA affiliated club, Soccer Coach and Board President for a 2500 member soccer club.

Do you presently serve on a City board or committee?: No

Explain your interest in this board/committee and why you think its issues are important:

Natural resources are our greatest treasure we leave to succeeding generations and thus are highly important

List any relevant experiences, skills, or interests that have helped to prepare you for a position on this board or committee:

Selection of native plant materials for wildlife and landscaping, working in contentious environmental conflicts

Additional information: Although I established full-time residency in last June, I have been visiting regularly since 2008

Submit a Resume (optional):

I certify that the foregoing information is true and correct: Yes

Note: I have experience and training in archaeology field methods and am an avid historian and student of native american culture. I have a lot of experience in native american culture and ways having spent a lot of time with Navajo and Pueblo First Nations in New Mexico and Arizona.
