Re Meyers Road Extension Project - Recommendation for Award

Dear Dayna:

The bids for the Meyers Road Extension project were opened as advertised on May 21, 2019 at 2PM, at Oregon City's City Hall. Canby Excavating submitted the lowest of the five bids received. A summary of the bid totals is provided below:

- 1. CANBY EXCAVATION\$7,218,786.00
- 2. PACIFIC EXCAVATION\$7,947,000.00
- 3. KERR CONTRACTING\$8,031,876.00
- 4. MOORE EXCAVATION\$8,064,221.05
- 5. EMERY AND SONS\$8,580,878.00

A detailed bid tabulation is attached for your reference. A review of the bids shows that Canby Excavation's bid was approximately 1.4% percent lower than the engineer's estimate of \$7,122,232.40; all other bids were 11%-20% higher. Canby's low bid on General Excavation and Mobilization Bid Items were significant factors in their overall low bid.

All bidders submitted bids without mathematical errors, along with all required supporting documentation and certifications.

Based on a review of the bid submissions received OBEC recommends that the City award the contract to Canby Excavation.

Respectfully,

Murphy McGrew
