To: Mayor Dan Holladay
Commissioner Brian Shaw
Commissioner Rocky Smith
Commissioner Renate Mengelberg

From: Residents of Canemah

August 27, 2016

Regarding the proposal to allow cannibis retail stores in the Canemah District of Oregon City, we wish to express our strenuous opposition. Canemah is a very small, primarily residential area, and the siting of cannibis stores in this neighborhood would have an immediate, significant, and negative impact on livability and family life. We respectfully ask that you take our opposition into account when and if you make any decisions regarding this issue. Thank you.
