Citizen Involvement Council Minutes for 03 June 2013

6. New Business:

- **6a:** Two standing committees were re-established: Transportation and Crime Prevention/Safety (CAG). Bob will report information from the TAC and Todd will report from the CAG.
- **6b: Committee Reports:** Alice created a form for ease of use in keeping committee reports consistent and concise.
 - This form will be made available online.
 - Committee Chairs need to submit their reports to Kattie by the Monday before the CIC meeting in order to be included in the agenda.
 - Possible suggestions to add to the report were stating who the report was submitted by and changing “CIC Approved” to “CIC Requested Action”.

7. Committee Reports:

- **7a: Land Use.** Paul shared concerns and handed out information regarding:
 - CNA issue with HRB hearing regarding a new home design not being compatible with Historic District. Motion passed for CIC to send a letter in support of Canemah, in their appeal, based on concerns with HRB’s interpretation of the current City code.
 - South End Concept Plan issues including high/low density housing in conjunction with current transportation infrastructure
- **7b: CIC Bylaws Review.** Bob informed CIC that the committee has gone all the way through the bylaws and will meet again in June to review their current draft. Changes were made based on past experiences and with the hope that these new bylaws will last for quite some time. The committee plans to present the draft to the CIC in July for discussion in August.

8. Round Table:

- Faith: HNA met May 7th and Black Rock Coffee presented plans for a drive thru in the Southridge Shopping Center.
- Amber: OC will celebrate its status as an Oregon Heritage All-Star Community with a reception and award presentation at its June 5th City Commission meeting. Encouraged NA’s to send their meeting and event times/dates to the COC.
- Bryon: TRNA has been officially recognized by the city and is working on balancing preservation and development in their area.
- Michael: Needs help at the OCFM booth on the 3rd Sat of the month. Alice, Amy, Bob and Mary Ann let him know they were available at some point and he could follow up to schedule when.
- Tom: Asked the CIC for additional funds to cover the cost of their new NA signage. Motion passed and members asked for more information about getting similar signs for their NA’s.
- Kattie: NA’s need to go through her when purchasing items. It is required that purchases need to be bid on and paid by the City directly to the vendors, not reimbursed to NA’s after the fact.
- Paul: Initial presentation regarding the WFLP will be made at Wed’s City Commission Meeting.
- Todd: TVNA had Metro give an informative presentation regarding growth at their last meeting. Their next meeting is June 18th at the Ainsworth House and Gardens at 7pm.
- Steve V: PP elections were held and this will probably be his last meeting as Rep to the CIC. Steering Committee will meet 6/17 to nominate/accept new Officers as Reps. PP received a Metro Grant for cemetery screen and greenery work.
- Damon: MNA will be selling snow cones at the Carnegie Center’s Thursday Concerts in the Park.
- Bob: The City will not be reimbursing NA’s for insurance.
