File Number: PC 17-078

Agenda Date: 7/5/2017

Status: Public Hearing

To: City Commission

Agenda #: 6a.

From: Community Development Director Laura Terway

File Type: Planning Item

SUBJECT:

First Reading of Ordinance No. 17-1008, Annexation of 0.92 Acres at 19763 S. Parrish Road (Planning File AN-16-0002)

RECOMMENDED ACTION (Motion):

Staff recommends that the City Commission accept testimony and approve Planning file AN 16-0002 and the first reading of Ordinance No. 17-1008.

BACKGROUND:

The City received a request for annexation of a 0.92 acre property into the city limits of Oregon City in order to receive city services. The property is required to annex as a result of a septic system failure and has already connected to the city sewer system. No re-zoning of the property is proposed at this time.

Pursuant to the city's Comprehensive Plan policy 14.4.4 to expedite the annexation process for properties that are required to annex as a condition of connecting to city sewer, this application does not require a recommendation from the Planning Commission.

The staff report details compliance of the proposal with the City's annexation code and policies.
