**To:** City Commission

**Agenda #:** 8j.

**From:** Public Works Director John Lewis

**File Type:** Resolution

**SUBJECT:**

Resolution No. 13-20, Amending ByLaws for the Transportation Advisory Committee

**RECOMMENDED ACTION (Motion):**

Approve Resolution No. 13-20 amending bylaws for the Transportation Advisory Committee and authorize the Mayor and City Recorder to execute it.

**BACKGROUND:**

The Transportation Advisory Committee (TAC) was established on February 7, 1996 through the adoption of Resolution No. 96-3. The purpose of the TAC was to provide advice to the Planning Commission, City Commission and Urban Renewal Agency on the Development of a City Transportation System Plan and other transportation and land use matters relevant to Oregon City. The purpose of the TAC was further clarified through the adoption of Resolutions 99-40 and 02-04.

In 2009, TAC members determined that the creation of bylaws would help to better outline the purpose and procedures of the TAC. As a result, a subcommittee was formed to develop the bylaws which were forwarded to the City Commission by a unanimous vote of the TAC, and the bylaws were adopted through Resolution 09-27 on November 4, 2009.

Since the adoption of the bylaws, the City has received TAC membership applications and inquiries from residents outside of the city limits but within the urban growth boundary. Following several discussions and because of the impact transportation-related issues have on neighboring properties, the TAC came to the conclusion that it would be appropriate to allow up to one member of the TAC to reside or work outside the city limits but within the 97045 and 97004 zip codes.
