Interest Statement

Explain your interest in this board/committee and why you think its issues are important

I love libraries in general. I would like to serve & support the Oregon City Library, to continue to help it become a vibrant gathering place in the community. It's outreach is very important in view of the diversified citizens our City has.

List any relevant experiences, skills, or interests that have helped to prepare you for a position on this board or committee

My 40 years working in a variety of libraries has exposed me to many different approaches to accomplishing things. I don't claim to have all of the answers to solve all problems, but I'm certainly willing to work with all Board members to find consensus. I believe that I work well with others & will always bring my best ideas forward.

Additional information

I have no financial background, like working on budgets, etc. I have been retired since Dec. 2003. Thank you for considering my application. [On my screen, it shows OR, but when printed, it comes out OK - very odd].
