Project Title Car Show in Historic Downtown Oregon City
Organization Trick 'n Racy Cars
Project Coordinator Jim Estes Phone 503-632-3952
Email estes@bctonline.com

1. Brief project description:

The car show was held on Saturday, September 14, 2013 in downtown Oregon City. Show cars were parked on Main Street from 7th Street to 10th Street and on 8th Street and 9th Street. Show cars were also parked in parking lots along Main Street as coordinated with downtown businesses. Despite the smaller area available for the show due to the re-opening of the Oregon City bridge, the number of show cars entered was only slightly smaller than in 2012.

2. Description of project accomplishments:

The 2013 Downtown Oregon City car show was a great success. A total of 285 show cars were registered for the event. Another 12 show cars were for exhibit only. An estimated 8000 plus spectators attended the event. 2,196 people rode the elevator on show day. Twenty downtown businesses participated in the "poker walk" where by car show participants visited each business to draw a card for a poker hand. Downtown merchants reported a stellar day of sales from car show participants and spectators. Restaurants and taverns had numerous customers all day and into the evening. Some businesses, such as the Ice House, had special "after show" events that continued the festivities.

3. Measures of performance (i.e. number of people served; effect of the project on tourism):

Partly due to the exceptional weather and also due to the extensive advertising, an estimated 8,000 people attended the car show. Show cars came from as far away as Sparks, Nevada. Of the 285 show cars registered, 89 came from Oregon City. The majority from outside Oregon City came from Milwaukie and Portland. However, more than ten cars came from Washington and more than twenty cars came from outside the Portland Metro area, as far away as Redmond, Aumsville and Pacific City, Oregon.

Many of the downtown merchants reported numerous visitors and substantial sales.

4. List additional sponsors of the project:

Tom Busch Home Furnishings
Red Barn Car Wash / Stein Oil
Latus Motors
Clackamas Auto Parts.
Oregon City News

5. How were OCCIT grant funds spent?

The OCCIT grant funds were primarily spent in two areas: 1) advertising, and 2) production of the event on car show day.

\$1,898.06 was spent on advertising in local newspapers and magazines; printing of flyers, posters, and signs; and producing banners.

Production costs on the day of the show included street closure fee, traffic control plan and barricades, trophies and plaques, and crowd and traffic control by Oregon City reserve police officers for a total of \$3,101.94.

All costs above the \$5,000 of the grant were paid from the show proceeds and by Trick 'n Racy Cars.

OC Farmers Market

*It's a Harvest Festival
Every Week, Year-Round!*

SHOP YEAR-ROUND AT THE FARMERS MARKET! The Sat-

urday Market runs May–October, rain or shine, and is open every week, 9:00am–2:00pm. The Downtown Wednesday Market, runs 3:00–7:00pm weekly, June–September. The Downtown Winter Market opens in November and runs biweekly through April on Saturdays, 10:00am–2:00pm.... see below for locations.

Now we have the most produce in the market! Late summer and fall is the perfect time for a trip to the market to pick up all the wonderful local fruits and veggies. September and October are traditionally viewed as the "harvest months", when you can see the most varied produce all season on the farmer's tables, the results of labors by the small family farmers who provide us with this nutritious fresh food. Come now and find the best melons, corn, peppers, sweet heirloom tomatoes, garlic, beans, blackberries, apples, cabbages, squash and pumpkins—to name just a few! The market is brimming with produce, providing easy inspiration for meals at this time of the year.

Farmers are also bringing grass-fed beef, chicken, lamb, farm eggs and goat's milk chevre and cajeta (caramelized goats milk...so good!) Local food vendors and businesses have fresh fish, preserves, breads and pastries, freshly made pasta, nuts, wines, beer, kombucha, honey and hot crepes, and Mexican food to eat, along with coffee and smoothies. We have plants and shrubs for fall planting—the best time to plant—and to brighten the home. Pick up a bunch of fresh flowers or a bar of goats milk soap.

OSU Family Food Educators will be at the market Saturday, September 14 to help you to preserve the bounty with a salsa-making demo. Consider buying extra and freezing, canning or drying foods for the winter to help with the budget. These knowledgeable volunteers can help you to get started.

Live music plays every day at all the markets. The Kids POP Club gives \$2 to every child, ages 5–12, to shop for fresh, healthy foods. We accept debit and Oregon Trail Cards. For market news, sign up for the market blog at www.orcityfarmersmarket.com...or LIKE us on Facebook!

The Saturday market is held in the parking lot of the Clackamas County Public Services Building at 2051 Kaen Rd, just off Beaver Creek Rd. The Downtown Wednesday and Saturday Winter Markets (open-air) are both on 8th St at Main.

Trick 'N Racy – A Club That Gives Back to the Community

Trick 'N Racy Cars is a car club based in Oregon City, Oregon. It was formed in 1985 as an all-volunteer, not-for-profit organization to promote the fellowship of owners of hotrods, special interest and classic cars. Members gather for periodic cruises and events throughout the year. Trick 'N Racy Cars hosts car shows that are used as fund raisers to support the club's charitable giving in the Oregon City community.

For several years, Trick 'N Racy held a "Cruise to Mt. Pleasant Elementary School" which was held in April. One hundred percent of the proceeds of this event went to support the needs of individual students and for classroom sponsorships at Mt. Pleasant Elementary School. Funds were also provided to support the summer lunch program. Since its inception in 2005, the car show generated in excess of \$30,000 for the school!

The annual "Sunshine Cruise" is always held at Clackamette Park

on the Friday evening in June just before Father's Day weekend. The "Cruise to Downtown Oregon City" is held in September on Main Street in historic downtown Oregon City. These events generate funds to support our charitable donations to various agencies and organizations in the Oregon City community. Over the past several years, Trick 'N Racy Cars has donated over \$45,000, not including the proceeds from Mt. Pleasant, to support the needs of local residents and charities. Among the recipients of these are: H.O.P.E., Meals on Wheels, Clackamas Women's Services, the Oregon City Children's Center, hospice, and many needy seniors. Scholarships are also provided to students in the automotive programs at Clackamas Community College.

Anyone interested in old and young cars, are welcome to join. You do not need to have a car, just an interest and willingness to participate.

Nonprofit groups to raise money for local charitable causes

The Oregon City News

From 10 a.m. to 4 p.m. Saturday, Sept. 14, the Downtown Car Show in Oregon City will enliven Main Street with sparkling chrome and fabulous paint on beautiful vehicles.

Nonprofit organizations Main Street Oregon City and Trick 'n Racy, which hosts car shows to support its local charitable giving, produce the show. Bring your friends and

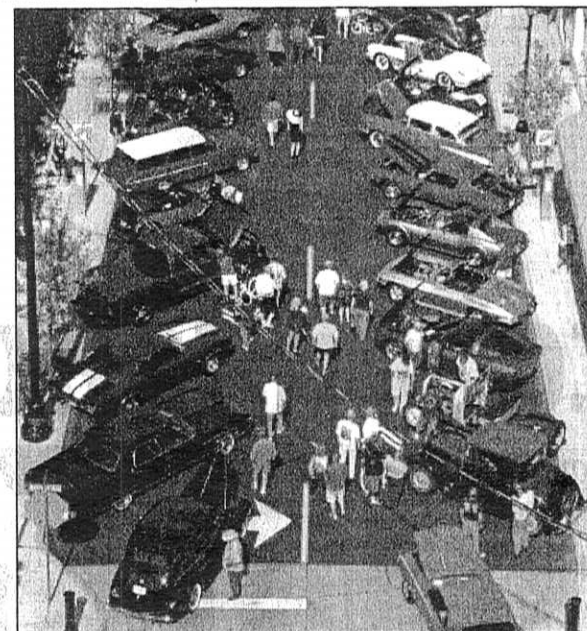

family, and see more than 250 muscle cars, custom cars, hot rods, trucks and motorcycles from around the community and the region. There is even a space for custom bicycles.

Celebrate America's love of the automobile among the historic refurbished buildings of Oregon City's 170-year-old downtown. In previous shows, cars have come from as far away as Reno, Seattle, Bend, Prineville, and many other towns in Oregon and Washington.

Admission is free for spectators, and the event is geared for the entire family. Major sponsors Busch Family Furniture and Red Barn Car Wash/Stein Oil are joined by many other local businesses in making this event possible. Cruising music from the 1950s and '60s will be played throughout the day by a group of deejays. Food and beverages will be available at Liberty Plaza and from numerous downtown restaurants and

taverns.

All proceeds from the event go to support charities in the Oregon City area. Some of these include H.O.P.E., Meals on Wheels, needy seniors via the Pioneer Center, summer-lunch programs for disadvantaged children at Oregon City schools, Clackamas Women's Services, Oregon City Children's Services and scholarships for students in the automotive program at Clackamas Community College.
