2015 - 2017 Budget Adjustment 3

2015 - 2017 Budget Adjustment 3

[illegible]

Description:

This adjustment allocates Park system development charges for project management and planning/design of the Willamette Falls Legacy Project, Riverwalk. As part of the City's contribution, a contracted parks planning consultant will be utilized to plan and manage the work. Contingency funds of \$250,000 will be transferred to an existing capital outlay budget (the original budget of \$200,000 was included as part of the City's capital contribution for the \$35 million Riverwalk).
