RE: Beaver Creek Road Concept Plan

Oregon City School District owns property adjacent to the Beaver Creek Road Concept Plan and believes this is probably adequate for the near term. The District has some current capacity at the elementary school K-5 level and high school 9-12 level. The District is near capacity at the middle school 6-8 level.

Even with existing school property adjacent to the Beaver Creek Road Concept Plan, public financing support will be required to develop the additional capacity in the future. The District is embarking on a long-range facilities planning process to study existing and future capital needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Larry Didway", written over a horizontal line.
