

Oregon City Campus master plan adopted

In October 2015, the Clackamas Community College Board of Education passed the second reading of a resolution adopting the Oregon City Campus master plan.

The bond package includes three buildings on the Oregon City Campus (a science building expansion, Student Services Community Commons replacement and the new Industrial Technical Center), infrastructure improvements and major maintenance. Since the passage of the bond, the college hired an architect for the master plan.

The master plan identifies the location of the Industrial Technical Center, DeJardin science addition and the Student Services Community Commons building, along with options for Automotive Science and remodels in Barlow Hall, McLoughlin Hall and Pauling Science Building C.

These buildings will allow CCC to grow and will ensure students will have opportunities for in-demand, living-wage jobs and to pursue transfer degrees. The projects will also allow students to complete a two-year degree at any of the three CCC campuses.

Infrastructure and major maintenance items are also identified. The plan lists improvements at:

- Environmental Learning Center
- Potential partnerships resulting in a wrestling facility
- An arboriculture facility
- Clackamas County Fire District training area

MEYERS ROAD EXTENSION

In the 2008 conditions of approval by the Oregon City Planning Commission, it was noted that the college's main entrance on Highway 213 and Molalla Avenue was often congested. To remedy the congestion, CCC staff has worked with Oregon City to develop the Meyers Road Concept Plan, which was approved by the city in 2015.

Citizen Oversight Committee Update

The purpose of the Clackamas Community College Citizen Oversight Committee (COC) is to provide oversight on the implementation of Bond Measure 3-447, approved by voters Nov. 4, 2014. Members represent all areas of the college service district, serve two-year terms and are appointed by the college's Board of Education.

The committee's charge is to:

- Receive regular reports on all bond-related projects
- Ensure the bond projects reflect the community's input and needs
- Advise on and help implement public engagement strategies
- Act as key communicators to constituencies, communities, businesses and civic organizations

The COC first met in April 2015 to discuss its role, affirm the charter and confirm the two co-chairs of the com-

mittee, Jane Reid and Jamie Damon. The COC also formed two subcommittees, one for the Oregon City Campus and one for the Harmony Community Campus, which are comprised of COC members and other community leaders in those areas.

In September 2015, the COC received reports on the Oregon City Master Plan and the Harmony Community Campus Conceptual Plan, as well as other bond-related projects across the three campuses. The two subcommittees also met to receive more detailed reports on those two campuses.

All Citizen Oversight Committee meetings are held in accordance with public meeting law. For the most current information on the COC and future meetings, visit Clackamas.Edu/BondInformation.

Upcoming bond related community events

Harmony Phase II Bond Project Update

Saturday, Jan. 16

9-11 a.m.
CCC, 7738 SE Harmony Road

Join us for a conversation about the Harmony Community Campus. There will be a light breakfast and reception 9-9:30 a.m., followed by discussion. Learn about the CCC bond projects and how we are working to grow workforce programs, career pathways and increased general education offerings while reducing transportation barriers.

This is an opportunity to learn more about what is happening from current and future campus stakeholders. Your input and time is appreciated.

Harmony Community Campus Open House

Wednesday, March 16

4-7 p.m.

For more information, contact CCC PIO Lori Hall at 503-594-3162 or lori.hall@clackamas.edu.

Come learn how we are partnering together and the services we provide. We hope you will join us and continue to be a part of this exciting project!
