RE: FEMA-DR-4258-OR
PA 005-55200

Dear Mr. Montalvo:

Enclosed are three copies of the formal contract that will need to be signed by your jurisdiction in order to receive federal disaster relief funding for Public Assistance for DR-4258-OR. This contract is a follow-up to the Request for Public Assistance that your agency has filed with FEMA, and is the official contract by which you will be receiving your disaster assistance.

We would ask that you return these contract copies to our agency as soon as possible as they will need to be signed by both parties before any funding can be processed. The contract will need to be signed by someone with the authority to obligate your jurisdiction (such as an elected official or chief financial officer). Be sure to fill in the information needed on Page 11. After both parties have signed the contracts, a copy with original signatures will be returned to you for your records.

In the near future, you will receive a packet including Project Work Sheets (PW), Project Completion and Certification forms (P4 forms), Project Application Summary (P2 forms) and Payment Request Forms. In addition, you may receive a Statement of Documentation and Final Inspection Report. This report is only necessary with large projects (over \$121,800) that are not 100% complete at the time the PW was written. Please keep these forms for future use.

If you have any questions, please contact me at (503) 378-2911 ext. 22222.

Sincerely,

Denise Choin
Fiscal Coordinator

1.0 PARTIES TO THIS AGREEMENT

This Agreement is made and entered into by and between the State of Oregon, by and through the Oregon Military Department, Office of Emergency Management, hereinafter referred to as "OEM" and the City of Oregon City, a political subdivision of the State of Oregon, hereinafter referred to as the "SUBRECIPIENT". This Agreement shall be effective upon execution by the parties and receipt of any approvals required by law and shall terminate on the earlier of: (i) as provided in Section 17 of this Agreement, (ii) the end of the Agreement Period specified below or (iii) June 30, 2026.

WHEREAS the President of the United States has declared that a major disaster exists in the State of Oregon based on damage resulting from the Severe Winter Storms, Straight-line winds, Flooding, Landslides and Mudslides from December 6-23, 2015 and

WHEREAS OEM is authorized by the 2016 FEMA-State Agreement for the 2015 Severe Winter Storms, Straight-line Winds, Flooding, Landslides, and Mudslides to execute on behalf of the State of Oregon all necessary documents for public assistance, including approval of sub-grants and certification of claims;

THEREFORE, the Parties mutually agree to the following:

2.0 PURPOSE

Federal funding is provided by the Federal Emergency Management Agency (FEMA) and is administered by OEM. Under the authority of Presidential Major Disaster Declaration FEMA 4258-DR-OR ("FEMA Declaration"), OEM is reimbursing the SUBRECIPIENT for those eligible costs and activities necessary for the repair and restoration of public facilities damaged during the period of December 6-23, 2015, in the manner described herein and in accordance with the completed Project Worksheet sheets submitted by SUBRECIPIENT and approved by FEMA and OEM. The parties understand and agree that after the project(s) described in a Project Worksheet is reviewed and approved by FEMA and OEM and determined to be eligible for funding under the FEMA Declaration in terms of an eligible SUBRECIPIENT, project and amount, then the amount(s) set forth in the Project Worksheet will be transferred from FEMA to OEM for disbursement on a reimbursement basis as set forth in this Agreement. For any project(s) that SUBRECIPIENT seeks reimbursement for under the FEMA Declaration, SUBRECIPIENT shall obtain a completed, executed and approved Project Worksheet substantially in the form of the attached Exhibit B.

3.0 TIME OF PERFORMANCE

Activities payable under this Agreement and to be performed by the SUBRECIPIENT under this Agreement shall be those activities which occurred on or subsequent to the incident period defined in the FEMA-State Agreement and shall terminate upon completion of the project(s) approved by federal and state officials, including completion of close out and audit, all as detailed in the applicable FEMA application and Project Worksheet. This period shall be referred to as the "Agreement Period."

4.0 CLOSE-OUT

It shall be the responsibility of OEM to issue close-out instructions to the SUBRECIPIENT upon completion of the project(s).

5.0 FUNDING

OEM will administer the disaster assistance program and reimburse any eligible costs for eligible projects to the SUBRECIPIENT which are identified under the auspices of the Presidential Major Disaster Declaration FEMA-4258-DR-OR and in the Project Worksheet. It is understood that no final dollar figure is committed to at the time that this Agreement is executed, but that financial commitments will be made as Project Worksheets are completed in the field and projects are authorized by state and federal officials. Each Project Worksheet that is completed, signed by FEMA and SUBRECIPIENT, and approved by OEM will constitute a new agreement that consists of the terms and conditions set forth in this Agreement and the completed Project Worksheet. OEM's obligation to disburse funds under this Agreement is contingent upon receipt of sufficient funds under the FEMA Declaration and sufficient appropriation, limitation, allotment or other expenditure authorization to make the disbursement.

The parties understand that FEMA will contribute 75 percent of the eligible project costs identified in the Project Worksheet for any eligible project, that a Subrecipient allowance may be made at the end of a project, subject to FEMA approval of documentation submitted by OEM and as provided for in subsection 3 of Section 6.0 of this Agreement, and that no state funds are obligated for contribution under this Agreement.

The SUBRECIPIENT will commit and is responsible for providing the required 25 percent match to any eligible project costs identified in the Project Worksheet.

OEM, using funds granted for the purposes of the Presidential Major Disaster Declaration from FEMA and allocated by FEMA pursuant to the applicable Project Worksheet, shall issue payments to the SUBRECIPIENT as follows:

1. Small Projects:
 - a) Small Projects are eligible for funding up to an amount designated by FEMA as provided in 44 CFR 206.205(a). For FEMA-4258-DR-OR, that amount is \$121,800.

2. Large Projects
 - a) Large Projects are eligible for funding in excess of the amount allowed for Large Projects, as provided in 44 CFR 206.205(b).
 - b) Partial Payments: Partial payment of funds for costs already incurred on large projects may be made to the SUBRECIPIENT upon submission of a State of Oregon Disaster Assistance Payment Request, with appropriate supporting documentation, to OEM, upon approval by OEM.
 - c) Final Payment: Final payment will be made upon submission by the SUBRECIPIENT of CERTIFICATION OF LARGE PROJECT COST, completion of project(s), completion of all final inspections by OEM, and

final approval by FEMA. Final payment may also be conditioned upon a financial review, if determined necessary by OEM or FEMA. Adjustments to the final payment may be made following any audits conducted by the Oregon Secretary of State's Audits Division or the United States Inspector General's Office.

All payment requests shall be made on a State of Oregon Disaster Assistance Payment Request Form to OEM, which references the appropriate Project Worksheet (PW), and appropriate documentation as required.

3. Funding shall not exceed the total federal contributions eligible for the repair and restoration costs under this Presidential Major Disaster Declaration FEMA-4258-DR-OR and the amount(s) approved in the applicable PW. On Large Projects, OEM reserves the right to make any inspection prior to release of any payment or at any time during the duration of this Agreement.

The SUBRECIPIENT shall maintain books, records, documents, and other evidence and accounting procedures and practices, which sufficiently and properly reflect all direct costs of any nature expended in the performance of this Agreement. These records shall be subject at all reasonable times to inspection, review, or audit by OEM personnel, other personnel duly authorized by OEM, the Secretary of State's Audits Division or the United States Inspector General. - c. A physical inventory of the property/equipment must be taken and the results reconciled with the property/equipment records, at least once every two years.
 - d. A control system must be developed to ensure adequate safeguards to prevent loss, damage or theft of the property/equipment. Any loss, damage or theft shall be investigated.
 - e. Adequate maintenance procedures must be developed to keep the property/equipment in good condition.

2. Retention of Property/Equipment Records. Records for property/equipment shall be retained for a period of six years from the date of the disposition or replacement or transfer at the discretion of the awarding agency. If Subrecipient expends \$750,000 or more from all federal funding sources during its fiscal year, Subrecipient must submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with the requirements of Government and Accountability Office's (GAO) Government Auditing Standards, located at <http://www.gao.gov/govaud/ybk01.htm>, and the requirements of Subpart F of 2 C.F.R. Part 200.f. The SUBRECIPIENT is to procure, at its own cost, audit services based on the following guidelines:

As applicable, the SUBRECIPIENT must ensure the audit is performed in accordance with Generally Accepted Accounting Principles and Generally Accepted Government Auditing Standards developed by the Comptroller General; and all state and federal laws and regulations governing the program.

The SUBRECIPIENT must prepare a Schedule of Financial Assistance for federal funds that includes: Grantor name (OEM), program name, federal catalog number (CFDA-97.036), total award amount, beginning balance, current year revenues, current year expenditures and ending balance. With the submission and completion of each Project Worksheet OEM is required by 2 CFR 200.331 (pursuant to FEMA Public Assistance Program Interim Guidance on 2 C.F.R. Part 200) to complete the information set forth in Exhibit A to this Agreement. SUBRECIPIENT shall submit with each Project Worksheet any information requested by OEM that is necessary to accurately complete Exhibit A.

The SUBRECIPIENT shall maintain records and accounts in such a way as to facilitate OEM's audit requirements, and shall ensure that Subcontractors also maintain records which are auditable. The SUBRECIPIENT is responsible for any audit exceptions incurred by itself or by its Subcontractors. OEM reserves the right to recover from the SUBRECIPIENT disallowed costs resulting from the final audit.

The SUBRECIPIENT shall send the audit report to OEM's Project Administrator as soon as it is available, but no later than nine months after the end of the SUBRECIPIENT's fiscal year in which SUBRECIPIENT receives any funds under this Agreement. Responses to previous management findings and disallowed or questioned costs shall be included with the audit report. The SUBRECIPIENT will respond to OEM's requests for information or corrective action concerning audit issues within 30 days of the request.

The SUBRECIPIENT shall include these requirements in any subcontracts.

10.0 RECOVERY OF FUNDS

In the event that the SUBRECIPIENT fails to complete the project(s), fails to expend or is overpaid federal funds in accordance with federal or state disaster assistance laws or programs, or is found by audit or investigation to owe funds to the State or to FEMA, OEM reserves the right to recapture funds in accordance with federal or state laws and requirements. Repayment by the SUBRECIPIENT of funds under this recovery provision shall occur within 30 days of demand. In the event that OEM is required to initiate legal proceedings to enforce this recovery provision, OEM shall be entitled to its costs thereof, including reasonable attorney fees.

The SUBRECIPIENT shall be responsible for pursuing recovery of monies paid under this Agreement in providing disaster assistance against any party that might be liable, and further the SUBRECIPIENT shall cooperate in a reasonable manner with the State and the United States in efforts to recover expenditures under this Agreement.

In the event the SUBRECIPIENT obtains recovery from a responsible party, the SUBRECIPIENT shall first be reimbursed its reasonable costs of litigation from such recovered funds. The SUBRECIPIENT shall pay to the state the proportionate federal share of all project funds recovered in excess of costs of litigation.

11.0 CONFLICT OF INTEREST

The SUBRECIPIENT will prohibit any employee, governing body, contractor, subcontractor or organization from participating if the employee or entity has an actual or potential conflict of interest that a public official would have under ORS Chapter 244. In addition, SUBRECIPIENT must disclose in a timely manner and in writing to OEM, all violations of Federal criminal law involving fraud, bribery, or gratuity potentially affecting the funds provided under this Agreement as provided in 2 CFR § 200.113.

12.0 POLITICAL ACTIVITY

No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot measure.

13.0 ASSIGNMENT

This Agreement, and any claim arising under this Agreement, is not assignable or delegable by the SUBRECIPIENT either in whole or in part.

14.0 SUBCONTRACTS FOR ENGINEERING SERVICES

In the event that the SUBRECIPIENT subcontracts for engineering services, the SUBRECIPIENT shall require that the engineering firm be covered by errors and omissions insurance in an amount not less than the amount of the firm's subcontract. If the firm is unable to obtain errors and omissions insurance, the firm shall post a bond with the SUBRECIPIENT for the benefit of the SUBRECIPIENT of not less than the amount of its subcontract. Such insurance or bond shall remain in effect for the entire term of the subcontract. The subcontract shall provide that cancellation or lapse of the bond or insurance during the term of the subcontract shall constitute a material breach of the subcontract and cause for subcontract termination. The SUBRECIPIENT shall cause the subcontractor to provide it with a 30 day notice of cancellation issued by the insurance company.

15.0 APPEALS

Consistent with the Code of Federal Regulations, 44 CFR 206.206, the SUBRECIPIENT may appeal any determination previously made related to the federal assistance for the SUBRECIPIENT. The SUBRECIPIENT's appeal shall be made in writing and submitted to OEM within 60 days after receipt of notice of the action which is being appealed. The appeal shall contain documented justification supporting the SUBRECIPIENT's position.

Upon receipt of a SUBRECIPIENT's appeal, OEM will review the material submitted, make such additional investigations as necessary, and shall forward the appeal with a written recommendation to FEMA within 60 days. Within 90 days following receipt of the appeal, FEMA shall advise OEM, in writing, as to the disposition of the appeal or the need for additional information. If the decision is to grant the appeal, then FEMA will take the appropriate implementing action.

16.0 GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively "Claim") between OEM and SUBRECIPIENT that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon provided, however, if the Claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively with the United States District Court for the District of Oregon. Agreement, each party shall be liable only for project costs and allowable expenses incurred by the other party, prior to the effective date of termination.

2. OEM may terminate all or part of this Agreement or may change the project specifications set forth in a Project Worksheet if there is a reduction in federal funds which are the basis for this Agreement, and OEM approves the reduction.
3. OEM may terminate this Agreement, in whole or in part, immediately upon written notice to SUBRECIPIENT, or at such later date as OEM may establish in such notice, if SUBRECIPIENT commits any material breach or default of any covenant, warranty, obligation or certification under this Agreement. In its notice, OEM may permit SUBRECIPIENT an opportunity to cure the breach, default or Failure in such time and on such terms as OEM may specify in such notice.

18.0 WAIVERS

The failure of OEM to exercise, and any delay in exercising, any right, power, or privilege under this Agreement shall not operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege under this Agreement preclude any further exercise thereof or the exercise of any other such right, power or privilege.
