Good Morning Pete,

I wanted to let you know that Ron Wilson attended the Hazelgrove Westling Farms Neighborhood Association meeting last evening Thursday 16 April 2015.

Ron discussed what he has been working with you on regarding the annexation of his property located at 19358 Columbine Court, Oregon City, OR 97045.

Those present had no problem and agreed with his plan to annex based upon his desire to add a room on to his home and connect to a city sewer line.
