

## Director's Report-August 2017

### Staff Topics

-we currently are in the process of hiring more on-call Library Assistants and an IT/Library Promotion Librarian

-although I am no longer officially on the PLD Board, I was named co-chair to a task force to integrate reporting of each library's achievement of the Standards into the State Library Annual Report, which will help keep my hand in the continuing development of the Standards

### Statistics

-August is the first full month we've been open. This is reflected in our statistics which are much better than last month in addition to previous months. Our door counters are still suspect. One door did not have a working counter for 18 days, so our door count is without doubt much higher than reported. We also have gotten more consistent in counting reference statistics, which helps. I'm eager to see

### Programs
