

NRC Mission Statement: In concert with the City, the committee shall advise, evaluate, and advance an agenda that empowers citizen, business and governmental stakeholders to become natural resource stewards who achieve a beneficial balance among people and natural systems now and in the future.

NRC Bylaws Article IV: Responsibilities:

- 1. Promote community involvement in conservation of natural resources within the City and its Urban Growth Boundary (UGB) in partnership with the City, neighborhood associations, and community organizations.
- 2. Initiate recommendations and review updates to the City’s comprehensive plan, codes and policy as they relate to statewide Planning Goals that are integral to our mission.
- 3. Receive notice of and comment on land use applications and City activities that have the potential to impact natural resources in the City and its Urban Growth Boundary.
- 4. Conduct orderly meetings that result in good communication to city staff, policy makers, city departments and community to achieve our mission.
- 5. Coordinate with the Parks and Recreation Advisory Committee (PRAC) and Planning and City Commissions on at least an annual basis that results in good communication and mutually beneficial results.

City Commission Vision: Embrace and advance Oregon City’s historic role as a regional leader.

City Commission Mission: Build a healthy community that leads the state in safety, economic opportunity, livability, and historic significance.

City Commission Goals:

- 1. Maintain an Environment for Successful Economic Development
- 2. Address Critical Facility Needs
- 3. Enhance the Livability of the Community
- 4. Seek Opportunities to Maintain Communications with Citizens and Facilitate Citizen Participation
- 5. Maintain Fiscal Health and Long Term Stability
