

The **FUTURE** of Oregon City Schools

Neighbors, property owners, and community members will hear about a potential bond measure in November 2018.

Oregon City School District No. 62

Connie Curteman, School Board Chair
Larry Didway, Superintendent

Thursday, Jan. 11 - Gardiner Middle School
Tuesday, Jan 23 - Ogden Middle School

learn more & RSVP: www.ocsd62.org/bond

January 11th or 23rd at 7pm

A photograph of two children, a boy and a girl, sitting at a white table in a classroom. The boy, on the left, is wearing a green hoodie and looking down at a small white robot on the table. The girl, on the right, is wearing a pink cardigan and is touching the robot. The robot has two large black wheels and a small white body with various electronic components. A tablet is also on the table. In the background, other students are visible at their desks, and the room has a modern, bright feel with white walls and wooden chairs.
