

Foundation and Friends

-we need a liaison to the Foundation and Friends to attend meetings and ensure that we are all on the same page

LINCC, Master Order, and LDAC:

-the latest on this is that our new report will be revised after going through the draft process. Also I will have some information for you on the Master Order by the time we meet.

-Nick Dierckman attended the last LDAC meeting with me and he has some interest in being our representative. If the Library Board approves this, the request will move up to the City Commission and then the County Commission.
