

OREGON CITY PUBLIC WORKS INVITES YOU TO AN EQUIPMENT “ROADEO”

The American Public Works Association (APWA – National) has announced that they will host the APWA National Equipment “Rodeo” on Tuesday, August 28, 2018, in Kansas City!

To prepare for the National event, Oregon City Public Works is hosting an Oregon City Equipment “Rodeo”. This event will include two of the four competitions included in the National program:

- **Backhoe / Mini-Excavator Competition** - the object of this competition is to precisely use equipment to move identified targets without touching/knocking over obstacles.
- **Skidsteer Competition** – the object of this competition is to safely maneuver equipment through obstacles and move identified targets.
