A RESOLUTION CALLING FOR AN ELECTION TO AUTHORIZE THE USE OF PORTIONS OF JON STORM PARK AND SPORTCRAFT BOAT RAMP PARK UNDER SECTION 41 OF THE OREGON CITY CHARTER, AND ADOPTING A BALLOT TITLE

WHEREAS, Jon Storm Park and Sportcraft Boat Ramp Park are located in the City and were created through the purchase of property for use as a park; and

WHEREAS, Jon Storm Park and Sportcraft Boat Ramp Park are subject to protection under Chapter X of the Oregon City Charter, including a prohibition on the change of status of a park or the construction of improvements on park land without a vote of the people; and

WHEREAS, the owner of the property adjacent to both Jon Storm Park and Sportcraft Boat Ramp Park would like to widen Interstate 205, seismically upgrade Abernethy Bridge, provide additional parking facilities, and enhance Abernethy Creek that occupies the property adjacent to one or both parks to address congestion, traveler safety, and seismic resiliency of this regionally significant lifeline route; and

WHEREAS, the construction of improvements would require approximately 15 feet of additional right of way on each side of the bridge with the upgraded Abernethy Bridge being approximately 14 feet above Jon Storm Park and 32 feet above Sportcraft Boat Ramp Park; and

WHEREAS, construction of improvements would temporarily occupy approximately 0.4 acres of Jon Storm Park immediately adjacent to the bridge for up to 4 years once construction begins and approximately 0.3 acres of Sportcraft Boat Ramp Park for up to 2½ years once construction begins; and

WHEREAS, recreational use of both parks would be maintained during construction and all areas impacted would be restored to current conditions or better following construction; and

WHEREAS, the City Commission has determined that it would be in the public interest to consider the use of a portion of Jon Storm Park and Sportcraft Boat Ramp Park for the I-205 widening and Abernethy Bridge seismic upgrade; and

WHEREAS, the City Commission has considered this matter on July 5, 2018, and after reviewing information presented, reached consensus to continue to further the City process and subject to this referral; and

WHEREAS, Section 41 of the City Charter of Oregon City requires voter approval of the sale, lease, transfer, or change in status of park land.

allow permanent right of way for Abernethy Bridge above the parks and temporary occupancy within portions of the parks.

Section 3. The City Commission adopts the following ballot title to describe the measure to be placed before the voters at the November 6, 2018 regular City election. The City Manager is directed to file the following ballot title with the City Recorder:

Measure No. ____:

QUESTION: Shall the City authorize some permanent and temporary use of Jon Storm and Sportcraft Boat Ramp parks by ODOT?
