4. Discussion Items:

4a. Parks Ordinance Designating All Parks as Charter Parks

Phil Lewis, Community Services Director, gave a presentation on a proposed parks ordinance. He discussed Chapter X of the Oregon City Charter regarding parks, City owned tax lots, non-Charter designated parks, and properties easily designated as parks.

Bill Kabeiseman, City Attorney, explained the protections under the Charter for designated parks. The City Commission was ultimately the authority that determined whether a property was a park, including pocket parks.

There was discussion regarding the process for abandoning pocket parks.

Mr. Lewis then reviewed properties needing further research or discussion, next steps, and future steps.

There was discussion regarding selling some of the properties that had not been

designated as parks.

There was consensus to move forward as recommended by staff. These recommendations would go to the Parks and Recreation Advisory Committee before coming back to the City Commission.

5. City Manager's Report

There was no City Manager's report.

6. Adjournment

Mayor Holladay adjourned the meeting at 7:00 PM.
