3. Discussion Item

3a. Construction Excise Tax for Affordable Housing

Laura Terway, Community Development Director, gave an overview of the Construction Excise Tax.

Mayor Holladay arrived at 6:04 PM.

Ms. Terway explained Senate Bill 1533 that enabled inclusionary zoning and the Construction Excise Tax, what a Construction Excise Tax was, how much the tax was allowed to be, how it was used from residential permits and from commercial/industrial permits, other jurisdictions who were using the tax, exemptions, and other considerations. She discussed the City fees for development and compared the fees to other jurisdictions. She then gave examples of residential and medical office building development with the tax and gave historical numbers showing the valuation of new homes and building permits by calendar year. She asked for direction on whether staff should continue to research the Construction Excise Tax.

The Commission asked clarifying questions about the tax and discussed the pros and cons of the tax.

There was consensus to have staff monitor the tax and how it was working in other cities and come back to the Commission with the information.

4. Adjournment

Mayor Holladay adjourned the meeting at 6:44 PM.

Respectfully submitted,

Kattie Riggs, City Recorder
