Laura,

I have sent you a Dropbox invitation entitled "PZ 15-01 and ZC 15-03." It contains the following documents:

- Article on ESA and Goal 5.
- Oregon City MS4 permit
- Oregon City NPDES 2016-2017 Annual Report
- Oregon Department of Environmental Quality State Agency Coordination Program
- Cascade Environmental Group Clackamette Cover Water Quality and Habitat Improvement Feasibility Study
- Oregon City TMDL Implementation Plan
- Metro Newell Creek Canyon Master Plan
- Metro Newell Creek Canyon Conservation Plan

If you could kindly place these documents into the record of the above-referenced proceeding for tonight's Planning Commission hearing, I would appreciate it. Please confirm receipt.

I will follow up with comments, either by 5 pm via email or I will bring the comments with me for the public hearing.
