Good afternoon all

Per the request of grievance committee signatories, my disabled husband and I actively sought mediation via Clackamas County Resolution Services (see private audio & redacted county response below). All parties, apart from the aggrieved, failed to comply with the GC recommendation. Request is hereby made for the grievance committee to continue the grievance process in accordance with local, state, and federal laws.

Very Respectfully

/s/ [Miranda Sierra](#)

NOTE: Clackamas County Resolution Services requires valid mailing addresses for parties involved in mediation; Mumm/Holladay failed to respond to multiple requests for proof of residency which is publicly documented in GC 17-04.

City staff has diligently provided reasonable notice and agendas saturated with public documentation; including, but not limited to, a description of parties all

implicated in GC 17-04 & GC 18-01. According to the BHNA Bylaws and the NA Formal Recognition Agreement with the city (signed copy notably missing from city records *DRAFT copy attached*) all of this should have been accurately reflected in the BHNA minutes...

Subject: GC 17-04 & GC 18-01

On May 7, 2108 the CIC voted to move both Grievances (GC 17-04 & GC 18-01) to the Grievance Committee. They chose names randomly from a list of all CIC members minus Karin Morey and Janice Morris who requested to be recused. Unfortunately, there was not a quorum of chosen Grievance Committee members present last night. Therefore, the Grievance Committee was continued to June 4, 2018.

Last night again there were not enough members of the Grievance Committee to have a quorum. Therefore, the CIC voted to choose a new Grievance Committee from those CIC members in attendance. The Grievance Committee met shortly after the close of the CIC meeting, elected a chair and signed the enclosed letter for your review.

Let me know if you have any questions.
