OREGON CITY

2017 – 2019 City Commission Goals and Priorities

GOAL 3: Enhance the Livability of the Community

- Review local regulations and processes to remove barriers and provide incentives to additional housing opportunities.
- Identify partnerships/programs and funding to address houseless community members.

GOAL 1: Cultivate an Environment for Successful Economic Development

- Complete site-readiness efforts, which can be accomplished through either physical site improvements or process and permitting refinement.

Equitable Housing

We have worked together again as a community to determine the housing options available to property owners and provide clear and reasonable design criteria for all types of development.

What is the Goal?

Work together as a community to provide greater housing options for all residents and property owners and provide clear and reasonable design criteria for all types of development.

The project does *not* include:

- An audit of every standard in the Oregon City Municipal Code
- Considerations not related to the Municipal Code (SDC's, fees)
- Changes to the zoning map
- Construction of any project

What Amendments are Proposed?

Equitable Housing

A majority of the recommended changes are from our equitable housing project which identified opportunities to support and incentivize diverse, quality, physically accessible, affordable housing choices with access to opportunities, services and amenities as well as the removal of barriers.

- To buy or rent
- Accessible to all ages, abilities and incomes
- Convenient to meet everyday needs, such as transit, schools, childcare, food and parks

Other Changes

Amendments identified by staff, the public, or Planning Commission including general clarification, reformatting, and amendments to address concerns identified over the years.

Housing Prices Unaffordable

Households Paying More than 35% of Income to Housing

Homeowners (w/mortgage)	23.9%, 1,629 households
Homeowners (w/out mortgage)	10%, 171 households
