The Father's Heart Street Ministry

September 28, 2018

City Commissioners, Building Division and Fire Department of Oregon City,

We are grateful for the opportunity to serve our community with offering a temporary warming shelter for those in need of shelter during the severe cold weather. When the temperatures reach 32 degrees, including the wind chill factor, we want to be a safe, peaceful place to protect our neighbors in need of shelter.

In 2017/2018, The Father's Heart provided 2,516 beds over 57 nights of severe cold weather. We complied to all requirements for proper supervision, fire watch, and intake forms of HMIS.

Please allow us, once again, to provide a temporary warming shelter during our severe cold weather for our neighbors that are experiencing homelessness. We are happy to comply to the requirements for proper supervision, fire watch and intake forms of HMIS. We also request granted permission as soon as possible due to the planning in takes to have volunteers in place and all compliance taken care of in a timely fashion.

Sincerely,

Robin Schmidt, Executive Director
