### Presentation Approach – Topics by Grouped Chapters

Staff proposes the following approach for the City Commission's review of the proposed code amendments in 2019. At each hearing, staff will present a brief PowerPoint presentation summarizing the major changes in the proposed code amendments. It is the intent that as each topic is discussed, the draft language is tentatively agreed upon by the City Commission and the topic is no longer discussed during the City Commission review. The public and Commission are encouraged to provide comments relevant to a specific topic at the associated hearing date identified below.

Please email comments or questions directly to Pete Walter at [pwalter@orccity.org](mailto:pwalter@orccity.org) and copy to [terway@orccity.org](mailto:terway@orccity.org) by the date and time indicated below for inclusion in the City Commission agenda packet.

Staff is available to meet informally and go through any questions or concerns with individual commissioners prior to each meeting. Please contact Laura Terway at (503) 496-1553 or [terway@orccity.org](mailto:terway@orccity.org) to schedule a meeting.
