**Subject:** Apr 2nd hearing  
**Date:** Wednesday, March 27, 2019 10:22:00 AM

---

Hi Kelly.

Manish asked me to email you and request a full continuance until April 23rd. We will still be represented on the 2nd at the hearing. Also we will begin putting together a historical package to support our application and will look at downsizing the sign some as you suggested. Can you please forward the information of the committee that would like to meet with us? Thanks. We appreciate your help and advice.

Jeremy.
