Subject: RE: historic sign question - marquee sign
Date: Thursday, March 21, 2019 10:14:57 AM

Hello Kelly,

The marquee is not appropriate for the Oddfellows Hall and does not meet the Standards for Rehabilitation. Yes, it creates a false sense of history. If they want a lighted sign, I would direct them to something more in keeping sign-wise with the historic character of the building such as depicted in the historic hardware store photos or a simple blade sign over the entry.

Thanks,
Joy
