Board Members:

The Oregon City Parks and Recreation Advisory Committee (PRAC) is a 9-member citizen board appointed by the Mayor. The purpose of the Committee is to advise and make recommendations to staff and the City Commission regarding parks, recreation and cemetery operations and planning. The Committee seeks to promote and enhance parks, recreation and heritage opportunities on behalf of the citizens of Oregon City.

Hillendale Pickleball club is seeking funds to make Hillendale Park a more safe, accessible and enjoyable destination for pickleball and all users of the park.

The Parks and Recreation Advisory Committee fully supports the Hillendale Pickleball's efforts to install court and pathway lighting at Hillendale Park. We urge your support of their application for funding.

Sincerely,

Lisa Novak | Chair
