City of Oregon City Community Enhancement Grants  
Review Committee Members  
Oregon City, OR 97045

Board Members:

Oregon City Community Services Department would like to extend our strong support of the Hillendale Pickleball Club in the Community Enhancement Grant application.

The Hillendale Pickleball Club is proposing installation of court lighting and pathway lighting at Hillendale Park. This project would extend the time of use at the park and allow fitness walkers, pickleball players, tennis players and basketball players during operational hours. The lighting project at Hillendale Park will create a more engaging, usable and safe park space for all citizens in our community.

Thank you for your consideration.

Warmest Regards,

Phil Lewis, CPRP | Director  
City of Oregon City Community Services
