Hi Kelly,

Finally getting back to you. Looks pretty good. Only has one comment around NR listed properties. It's in the document. Let me know if you have questions.

Take care, Kuri

Hi Kuri,

The Board made a few changes to the policies I sent earlier – attached is the approved version.

Would you be able to take a look at them before June 18<sup>th</sup>?

Thanks,

Great, thank you! We have a hearing on May 28<sup>th</sup>, and if any of the language changes at the hearing I will send you a revised version.

We are also sending this to our Planning Commission and City Commission for comment in June, and we plan on addressing any comments we hear at our June 25<sup>th</sup> meeting. So if SHPO has any comments we can address them on that date as well.

Kelly

Hi Kelly,

We would like to review. I am sure they are within the CLG requirements, but it is good to make sure. I likely won't get to it until next week.

Hi Kuri,

After a long public process, we have drafted some amendments to our HRB policies. The policies govern what actions can be done without formal Board review. Can you please let me know if SHPO would like to review or comment on these proposed changes as it relates to our CLG status?

Thanks,
