Hi John,

Here is the motion that was made by TAC. It was made at the September 18, 2018 TAC Meeting.

ii. Site Distance Issue on Ganong St and 3rd Ave

A motion was made by Mr. Mackenroth, seconded by Mr. Anderson, to concur with Public Works' assessment that the site distance is not impacted at the site triangle at the southeast corner of 3rd Ave and Ganong St., and it carried by the following vote: Aye: Mitchell, Lyman, Jesic, La Salle, and Tong.

Let me know if you need anything else.

Thanks,

Kim
