HOME OCCUPATION WORKSHEET

Please fill out this worksheet COMPLETELY on both sides, whether applying for the first time or submitting an annual renewal, and return it with your business license application.

OCMC 17.04.580 defines the restrictions on home occupations as follows:

"Home occupation" means an occupation carried on solely by the resident or residents of a dwelling unit as a secondary use, in connection with which no assistants are employed, other than residents of the home, no commodities are sold other than services, no sounds are heard beyond the premises, and there is no display, advertisement or sign board except such signs as by this title may be permitted in the district where the home or occupation is situated, including such occupations as lawyer, public accountant, artist, writer, teacher, musician, home office of a physician, dentist or other practitioner of any of the healing arts, or practices of any art or craft of a nature to be conveniently, unobstructively and inoffensively pursued in a residential dwelling or accessory building of a residence, and not more than one-half of the square-footage is devoted to such use. The business may have off-site employees or partners provided that they do not report for work at the subject residence. No outdoor storage of materials or commercial vehicles associated with the business shall occur on-site.

A home occupation is a business carried on by the resident of a dwelling as a **secondary** use, with the activity conducted so that there is no audible, visual or other appearance of a business. No on-site retail sales are permitted. The primary use must continue to be a residence. **Partners or employees are not allowed onsite for businesses purposes.** This means that the business must be conducted by the resident(s) and family members who **live** at the dwelling. In order to renew your business license, your home occupation statement must be reviewed annually.

A business license does not authorize the holder to conduct business in violation of any zoning ordinance or other state, federal, or local law.
