---

October 4, 2019

Oregon City Commissioners, Building Division and Fire Department,

Thank you for the opportunity to serve our community with offering a temporary warming shelter for those in need of shelter during the severe cold weather of 33 degree wind chill or lower.

In 2018/2019 we were able to provide 1,755 beds over the entire severe cold weather season. We complied to all requirements for proper supervision, fire watch, and intake forms of HMIS.

Please allow us, once again to provide a temporary warming shelter during our severe cold weather for our neighbors that are experiencing homelessness. We are happy to comply to all requirements and request granted permission as soon as possible due to the planning it takes to have volunteers in place and all compliance taken care of in a timely fashion.

We are requesting to open November 1st, 2019 – January 31<sup>st</sup>, 2020 to offer 49 beds each night when the temperatures reach 33 degrees wind chill factor for those living without shelter.

Sincerely,

Robin Schmidt, Executive Director  
The Father's Heart Street Ministry
