

October 22, 2019

Mr. John Lewis
Public Works Director
City of Oregon City
625 Center Street
Oregon City, OR 97045

Subject: Barlow Drive Speed Hump

Dear Mr. Lewis,

It is with enthusiasm and gratitude that we are in support of the community members and their request for the installation of a speed hump at Barlow Drive.

During the Park Place Neighborhood Meeting of October 21, the Steering Committee voted unanimously to support this endeavor.

We appreciate this "grassroots effort" for our community members, and in the interest of public safety, believe that this is a win-win for the neighborhood and city.

We thank you for consideration.

Best regards,

Greg Stone

Chair, PPNA

CITY OF OREGON CITY SPEED HUMP APPLICATION

PETITION SUPPORTING THE INSTALLATION OF SPEED HUMPS

We, the undersigned residents of Barlow Crest, from 16265 Barlow Dr. to 16253 Barlow Dr. do hereby request that the City of Oregon City install speed humps on our street at our expense. By signing below, we understand that the speed humps with related signage and street markings may be installed in front of our house and may eliminate our ability to park along the street.

The sponsor of the petition shall contact every resident of the abutting properties on the subject street. If a resident is against the speed humps, the word "opposed" is to be noted in the petition signature space. If the sponsor is unable to contact a resident, "no contact" will be noted on the petition signature space with the days and times that contact was attempted. The sponsor must make at least two (2) attempts on separate days to contact a resident.

We also understand that installing speed humps may increase traffic noise and emergency response to our home. We agree that if, in the future, we desire to remove the speed humps, the humps will only be considered for removal after the receipt of a petition from a substantial majority (67% or more) asking for the removal, along with the sufficient funds for their removal (approximately \$1,000 per hump). Note that the City may remove any or all of the humps at any time for safety reasons at no cost to the abutting property owners.

NEIGHBORHOOD REPRESENTATIVE:

Kravis Salinas

SPEED HUMP ELIGIBILITY CHECKLIST

Fill out the following checklist; if the answer to all questions/statements is "yes", review the policies and procedures and fill out the Speed Hump Application. If you answer "no" to any of these questions/statements or are unsure about any of these questions/statements, please contact City staff at 503.657.0891.

Yes No

- | | | |
|-------------------------------------|--------------------------|--|
| ☒ | ☐ | Is the street classified as a residential street or lesser classification in the Oregon City Transportation System Plan
https://www.oregoncity.org/publicworks/2013-transportation-system-plan |
| ☒ | ☐ | This street does not provide a transportation service to the community beyond that of simply providing access to the immediate abutting residences. |
| ☒ | ☐ | Does the street carry fewer than 2,500 vehicles per day? |
| ☒ | ☐ | Does the street have a designated speed limit of 25 mph? |
| ☒ | ☐ | Does the street have no more than one traffic lane in each direction? |
| ☒ | ☐ | Are 85th percentile speeds less than 30 mph? |
| ☒ | ☐ | This street is not designated as a truck route or a transit route. |
| ☒ | ☐ | Are the grades on the street less than eight percent (8%)? |
| ☒ | ☐ | Does the street have adequate vertical and horizontal alignment and sight distances to allow for safe installation of speed humps? |
| ☒ | ☐ | The street is not a primary access route for emergency vehicles. |
