RE: Proposed Goals Parks and Recreation Commission

**ACTION REQUESTED:**

Adopt or Provide Direction to Staff for Parks and Recreation Committee Proposed Goals.

**BACKGROUND:**

Staff located a set of Draft Goals reviewed by the PRAC in January 2019. At the September PRAC meeting, it was referenced in the minutes that a new format for the goals should be reviewed. Staff has not located the new format nor indication that the proposed goals were adopted. Because staff is new and trying to establish a reasonable work plan designed to support PRAC Goals.

**OPTIONS:**

PRAC can choose to delay discussion, adopt goals as shown, modify goals or format, or set additional dates for discussion.
