

MEMORANDUM

2019 STORMWATER AND GRADING DESIGN STANDARDS

The final version of the Stormwater and Grading Design Standards have a few small changes since being reviewed by the Planning Commission:

- 1) Typographical errors were found and corrected.
- 2) References to the old date of February 2015 were updated to 2019.
- 3) References between chapters were reviewed and corrected as needed.

Any questions about these changes can be directed to the City of Oregon City's Assistant City Engineer, Josh Wheeler at (503)-496-1548 or by email jwheeler@orccity.org

Thank you,

Josh Wheeler, PE
