Kelly,

Thanks for the reply and for the update regarding the applications.

We wish for a continuance on HR20-02, historic review, and not for the one on 5th and JQ Adams.

We'll let you know how the presentation before the MNA goes for both projects.

Best regards,

Cameron

Hi Cameron,

Just to clarify - you are requesting a continuance of the Historic Review Board agenda item HR 20-02 at 920 7th Street? The other project will not be on the January HRB agenda due to an incomplete application.

Subject: Request for a continuance

Hi Kelly,

The MNA is asking for a continuance on two projects in the McLoughlin neighborhood, one on 5th and JQ Adams and the one at 920 7th (and Monroe).

We will be discussing both proposals at our Special General Meeting set for February 6th.

Thank you!
