Dear Commissioners,

I am writing on behalf of the Oregon City Chamber of Commerce in support of the proposal for the Parklet Pilot Program and the Outdoor Dining/Retail Private Parking Lots Program. Offering businesses alternative ways to increase patronage during these trying times of COVID -19 will help drive local commerce and help sustain and promote the businesses that are still struggling to withstand the pandemic effects. It's an excellent investment in our city and the health of our future economy.

Thank you for your consideration of this request.

Respectfully,
