BACKGROUND:

After considering the testimony and information in the record, on October 23, 2017 the Planning

Phase 2 consists of 131 apartment units, 9,500 square-feet of retail space, a 2,500 coffee shop and associated parking and site improvements. The project proposal includes preservation and retention of the Hackett House, a designated historic landmark which is currently used for offices. The application requested six adjustments to the development code pursuant to OCMC 17.65.070.

Attached to this report, along with the final findings and conditions of approval, is the entire record prepared for Planning Files CP-17-0002, DP-17-0003, and NR-17-0004.
