Resolution No.15-09, to Adopt the Policy for Cross Street Banners and Banners on Street Light Poles (Associated with the Sign Code Update)

RECOMMENDED ACTION (Motion):

Staff recommends that the City Commission adopt proposed Resolution No.15-09, Policy for Cross Street Banners and Banners on Street Light Poles. The Resolution, effective November 1, 2015, will help implement the amendments to the sign standards in chapter 15.28 of the Oregon City Municipal Code (Ordinance 14-1003).

BACKGROUND:

After nearly 20 years without a significant change, Oregon City has been working to review our sign regulations to better meet the needs of Oregon City residents and businesses now and into the future. A comprehensive public process resulted in draft amendments to the limitations of the type, quantity, size, material, placement, etc. of signage allowed on public and private property in chapter 15.28 of the Oregon City Municipal Code. The Sign Code Update includes Ordinance 14-1003 to implement the amendments to the Oregon City Municipal Code as well as Resolution 15-08 to adopt new fees associated with new signage types and Resolution 15-09 to adopt a policy for cross street banners and banners on street light poles.
