Intergovernmental Agreement Between The Oregon Department of Transportation (ODOT) and Oregon City for Willamette Falls Legacy Project Transportation Improvements

RECOMMENDED ACTION (Motion):

Staff recommends the City Commission review and approve the Intergovernmental Agreement (IGA).

BACKGROUND:

The enclosed IGA incorporates conditions of approval from the Willamette Falls Legacy Project Master Plan (CP 14-02) that relate to projects or traffic impact on or adjacent to Highway 99E. Approval of this IGA will allow these projects to move forward as conditioned in CP 14-02. These projects will be implemented over time as the project site redevelops.
