Title:	Joint Work Session: Planning Commission and Transportation Advisory Committee Roles for Reviewing Transportation Impacts and Issues				
	<p>On April 11, 2016, the Planning Commission and Transportation Advisory Committee met for a Joint Work Session regarding transportation. The City's transportation consultant, John Replinger of Replinger and Associates, provided an overview of the process by which the transportation impacts of development are assessed and identified the role of traffic engineers in the development review process. This meeting is a follow up from the initial meeting to discuss:</p> <ol style="list-style-type: none">1. An Overview of the Land Use Process2. An Overview of the Transportation Advisory Committee Process3. Establishment of Future Communication Between the Planning Commission and Transportation Advisory Committee
