Staff Liaison Update

**RECOMMENDED ACTION (Motion)**:
No action is required.

**BACKGROUND**

1. For those interested in keeping up with the latest development applications in the city, there are two great ways to get the information. Please pass this information on to your contact list as appropriate for your organization.

   a. Click on the development tab at the bottom of www.orcity.org This action will take you to a page that lists all noticed land use applications and city capital improvement projects. They are sorted by year.

   b. Subscribe to a weekly land use notice list at <https://www.orcity.org/subscribe>. (Under Community/Public Information on Main Page) Enter your email and you will receive a weekly roundup of all land use applications noticed or updated that week in the city. The neighborhood box at the bottom is for city projects and land use applications that are located within a specific neighborhood association boundary. We are beta testing the neighborhood subscription option-so please let me know if you have any issues.

2. Are you scheduling a neighborhood meeting with a developer and want to review the pre-application materials before you meet? You can request a copy of the application materials and staff notes through the online public records request process on the city's website. https://www.orcity.org/cityrecorder/public-records-request-policy-and-form.
