October 26, 2016 NRC Work Session

RECOMMENDED ACTION (Motion):

Review NRC work plan.

BACKGROUND:

The NRC is an advisory body to the City Commission, Planning Commission and Parks and Recreation Advisory Committee.

The NRC's work plan needs to be kept current to ensure that it is aligned with current City Commission goals and priorities.

The focus of this work session to develop a list of NRC priorities for the City Commission's consideration in anticipation of the City Commission's annual retreat.

The NRC bylaws, current work plan (last reviewed on June 30), and current City Commission Goals and Priorities are also attached.
