Library Director's Report

RECOMMENDED ACTION (Motion):
review and discuss

BACKGROUND:

Because the regular meetings for December 2016 and January 2017 were both cancelled, this report will cover statistics and events from November, December, and January. Please see attached report and statistics.

This is a good time of the year for a review of the Code of Ethics of the American Library Association and the Library Bill of Rights. See attached.

This is the time of year when our budget review starts for the next biennium. The most recent draft will be provided at the meeting as it is being worked on right now.

Also up for discussion is the Draft Community Room Use Policy. Please see the attached draft.
