TAC 2018 Goals and ByLaws Discussion

BACKGROUND:

Discussion of 2018 goal setting for the Transportation Advisory Committee as a follow-up to a meeting between City staff and the TAC Chair and Vice-Chair. Included for review are the City Commission's 2017-2019 Goals, Priorities, and Milestones to help align TAC goals with the overall City's goals and the DRAFT 2018 goals proposed by the TAC Chair and Vice-Chair with the help of City staff. In addition, slight revisions were made to the ByLaws to account for discrepancies in timing in regards to nominations of Chair and Vice-Chair and new TAC member appointments. A DRAFT of the revised ByLaws are attached.
